CENTRALS

It's time to unite the North

The Central District Netball Club, in conjunction with its strategic alliance with SANFL Central District Football Club Inc. represents a district encompassing Salisbury, Elizabeth, Gawler, Adelaide Plains, Barossa Valley and the Mid North, truly **UNITING THE NORTH**.

Since 1998 Harlequin Netball Club has participated in the elite South Australian Netball landscape, submitting teams into the State League Netball Competition and Adelaide Metropolitan Netball Division based at Netball's 'hub', Priceline Stadium, Mile End; and whilst the Clubs history spans decades prior to this, it is our unique partnership with CDFC that remains the key to its existence.

Throughout a successful period as individual clubs, both Harlequin and CDFC have seen the northern region continue to grow in both population and sporting interest. It is for this reason that in 2016 Harlequin Netball Club made the decision to undertake a major re-brand. As a result, Central District Club was born

CDFC has a long history of success in the South Australian Football League its members and supporters taking pride in their club with a reputation for loyalty and passion. CDNC looks to draw on this history and add to the success of the Central District brand by participating in the highest pre-elite competition, Netball SA Premier League, in the coming years.

SPONSORSHIP

By sponsoring the Central District Netball Club, you are not only supporting our Club's re-brand, but also our local community through facilitation of programs, scholarships and mentoring programs for players, coaches, umpires and officials.

As a 100% not-for-profit organisation, we rely on the generosity of our sponsors to continue operation and provide opportunities for aspiring netballers in the North to participate at the highest level. We are determined to give back to the District that helped build us and work towards truly **UNITING THE NORTH** in sport.

Here are just a few things your generosity will provide:

Inclusive Sports SA

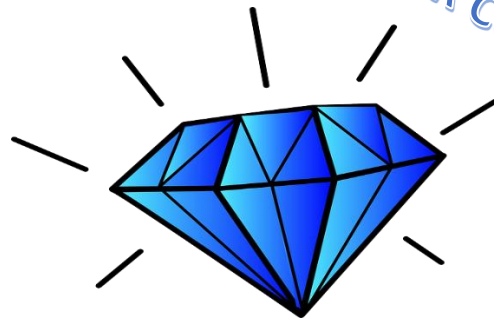

Central District Netball Club is one of only 6 Clubs in the state to offer an Inclusive Sports team in the Adelaide Metropolitan Division which caters for those who suffer a restrictive disability. Several players from our Inclusive team have been selected into the SA Rubies State team who contest the Marie Little OAM Shield annually.

Invitee and Pathway programs

Players selected for the CDNC Invitee and Pathway programs are identified as our future Elite Squad players and this program provides them with intensive training sessions by advanced coaches to further develop their natural abilities. This is just one of the programs we conduct to invest and secure our future stars.

Indigenous participation

CDNC is dedicated to providing netball opportunities to young women who identify as Aboriginal and have worked hard with local council community groups and members to provide additional support and assistance to tap into the netball potential these young women possess.

BUILD YOUR OWN PARTNERSHIP PACKAGE

Central District Netball Club understands that times are tough in our District and because of this we are determined to give back to our loyal sponsors in any way we can.

We are a not-for-profit Club therefore require financial support through sponsorship and fundraising to keep our teams on Court, but we also acknowledge that sponsorship through the provision of incentives, equipment and/or supplies can be just as beneficial, not just to our members, but also to you.

If you would like to support CDNC but cannot provide financial support, you will be recognised as an important member of the Central District family.

Please contact us to discuss how we can work together and support each other.
